Photoshop Virtual Summit: PROJECT PHOTOSHOP
SEPTEMBER 14 - 18, 2026

Thanks for registering for the Photoshop Virtual Summit: PROJECT PHOTOSHOP!

Traditionally at in-person conferences you'd receive a bag filled with printed coupons, fliers and specials. This is our virtual version of that traditional Swag Bag: a PDF packed with great deals, information and special offers.

Each day this week we will release classes, and those sessions will be available to watch for free for 48 hours. Please remember that you will receive an email each morning with a link to that day's classes.

If you're a VIP Member, thank you, and you can log in to your Member Area at any time to watch the classes, and download the class notes and other extras.

A big thank you to our partners B&H Photo Video and the Christmas Cabin.

On behalf of all the instructors, welcome to the Photoshop Virtual Summit: PROJECT PHOTOSHOP. We truly hope that you learn a ton and that your comfort with understanding Photoshop continues to grow...

Dave Cross

Founder, Photoshop Virtual Summit

Thanks to our Partners

Photoshop Virtual Summit 8: Keys to Success

- Make sure that you are receiving the daily emails: add info@davecrosssummits.com to your mailbox
- Remember that classes are free to watch for 48 hours: make note of the classes you want to re-watch
- Classes go live each hour on the hour. Be sure to **refresh the page** to see the new classes
- We are in the Eastern Standard Daylight Zone – but the classes are not broadcast live, so you won't miss anything if you are not watching when a class is made available.
- Classes are free to watch, but there is an optional (paid) VIP Pass that gives lifetime access to re-watch all sessions and includes the project files. More details can be found elsewhere in this document.
- There's a ton of information coming this week, so open yourself up to learning new techniques, adding new tools to your workflow, and enjoy learning more about Photoshop.

Another class that was worth more than the price of the VIP Pass all by itself. Thanks!!

Maria Murillo

14 Nov 2024

What a fantastic class! I have learned so much. So happy to have the VIP pass to review it again and again until I master these concepts.

Amelia Drake

26 Feb 2020

I almost didn't sign up for the VIP, but I am so glad I did. So far all of you have showed that you indeed can learn something new here! Your presentation was a great refresher for me!

Jean McKenna

31 Oct 2023

Worth the price of the summit. My head is swirling with ways to utilize some of the features. Thanks, Matt.

David Beaubien

30 Oct 2023

Im glad to have purchased the vip pass.there is enough advanced info in the first 3 sessionsto practice for a month.(i knew so little and i thought i was pretty good lol) best money i ever spent on training.

Glenn Davy

30 Oct 2023

It says a LOT when you pay for a week's set of sessions (VIP member), and by the third presentation, you already feel like you have got more than your money's worth. I've been using Ps for 20 years as of this year, in just about every way imaginable (painting, photo processing, photo restoration, etc.) and I feel like I doubled my knowledge with this one course. Outstanding presentation Blake, and thanks for making my VIP pass so completely and totally worth the money (and then some).

Carol Taylor

03 Nov 2023

I have followed along but behind some. I really am glad I got the VIP pass so I can go back to watch some classes again. My brain is full for now!! You have outdone yourself with the subjects of the sessions and the excellent instructors! Thank you so much for all you have done!

Anthony Crothers

03 Nov 2023

So glad I got the VIP Pass! I've only managed to watch about a third of the classes to date. The Virtual Summit is such a fantastic event, so expertly put together. I have gained a good deal of knowledge already, and I'm looking forward to working through the remaining classes I need to catch up on, as well as having the facility to dive back in to any and all, whenever I wish! Keep up the good work.

Neil Cant

03 Nov 2023

This class alone is worth the price of admission for me! I have always struggled with selections of animals. I am really looking forward to working with your techniques. Thank you, Tim, for two great classes!

Neal Abeille

05 Nov 2023

This is my 5th summit and each year they get better. So much to learn and remember. Being a VIP member really is invaluable as I can go back to review early lessons. The index will really help. Thanks for all.

Judy Lindo

18 Feb 2024

OMG this was fantastic, informative and yes drinking from a fire hose but at a level (me a beginner) that I can grasp! Will be watching this many times over as I absorb all the info. Thank you Colin!!!!

David Grant

13 Nov 2024

Thank you, Ben. I enjoyed it all, but the segments on curves alone are worth the price of admission. Great stuff that warrants repeat viewings.
